

IMPORTANT INFORMATION FOR TRUCKS

April 2017

Dear Competitor on the Rally Kazakhstan 2017,

For Rally Kazakhstan 2017, MARLINK will provide you with the satellite tracking equipment called Iritrack. This safety equipment will be handed to you at the administrative checks before the rally.

We kindly ask you to pass your order on the MARLINK e-shop (<https://eshop.marlink.com>) for the Rally Kazakhstan 2017. Here you find some operating instructions in order to ensure that you're well prepared for the rally.

NEW IRITRACK - Your Real Time Satellite Tracking System

Iritrack monitors your GPS location and speed automatically, sending an alert to the PC course if your vehicle stops, takes a big hit or experiences an inclination. Iritrack allows you to send manually two different types of alerts to the HQ:

Buttons remain the same as the previous version :

- Pushing the Green button, Iritrack immediately informs the HQ that you or another competitor has a **mechanical** problem.
- Pushing the red button, Iritrack immediately informs the HQ that you are victim or witness of an accident that requires **medical** assistance.

Iritrack allows you to communicate with the HQ to report mechanical or human damages.

- Pushing the blue button, you get in contact with the HQ by using the unique feature of the Iritrack system; the voice communication between the driver/passenger of the vehicle and the Control Center via a built in microphone and speaker. Push the blue button only once and wait for the HQ to respond. When you hear the HQ speaking to you, just answer and the microphone will transmit your voice.

IRITRACK MOUNTING ACCESSORIES

Important:

The installation kit you will need to install the New Iritrack will depend on the accessories you already have.

- **If you already have a Iritrack installation kit for Truck** with the following accessories :
 - GPS antenna + GPS cable
 - 5m Iridium antenna

➔ Then you will need the New Iritrack Upgrade kit :

- New bracket
- + New power cable
- + Silent blocks

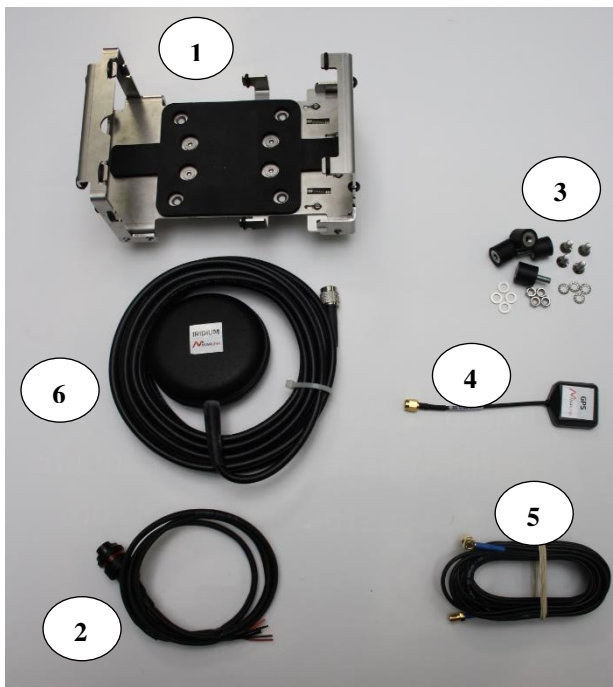

- **If you don't have these accessories**

➔ Then you will need the New Iritrack Complete kit.

- New bracket
- + New power cable
- + Silent blocks
- + GPS antenna + 5m GPS cable
- + 5m Iridium antenna

Your machine must be presented at the technical checks with the bracket, cabling and antennas mounted, ready to receive the Iritrack.

TRUCK: Accessories needed for the New Iritrack installation

KIT COMPOSITION:

- 1: New Iritrack bracket
- 2: New Power cable 1m
- 3: Silent blocks
- 4: Square GPS antenna cut at 10cm
- 5: GPS antenna cable 5m
- 6: Iridium antenna with 5m cable

DEPOSIT PROCEDURE

A deposit is mandatory for every rental of the following devices:

- Iritrac 1500€ (mandatory for all race vehicles)

This deposit is payable to MARLINK EVENTS by certified bank check (for UE competitors; euro check) or credit card and has to be settled before the delivery of the item at the administrative checks.

- Bank check: Please bring the check at the administrative checks.
- Credit card: If choose to pay the deposit by credit card, please return the deposit form fully filled in with your credit card details.

**Please make sure that the amount of your deposit is available on your credit card!
If not, contact your bank in order to authorize the reservation of the amount.**

NB: Cash deposits will not be returned by the end of the rally but sent back to you by bank transfer after the devices have been checked by MARLINK EVENTS.

The deposit will only be cashed in case of: non restoration, theft, destruction of the devices, launching of the distress beacon as well as Iritrack spare parts requested during the rally. In case of damages, the amount of the repairs is

likely to be cashed from the deposit within 60 days from the end of the rally. Non-restored devices before May 26th 2017 will be invoiced 76 € per week of delay.

Please do not hesitate to contact me if you have any questions.

The entire MARLINK team is looking forward to seeing you on the

rally. Kindest regards,

Mehdi COUILLARD
