

IMPORTANT INFORMATION FOR CARS

September 2018

Dear Competitor,

For Morocco Desert Challenge 2019, MARLINK EVENTS will provide a new satellite tracking equipment called Iritrack. This mandatory equipment will be handed to you at the administrative checks before the rally.

In order to be ready for you scrutineering we kindly ask you to make your order on our e-shop before March 1st 2019.

You will find below some operating instructions in order to ensure that you're well prepared for the rally.

NEW IRITRACK - Your Real Time Satellite Tracking System

Iritrack monitors your GPS location and speed automatically, sending an alert to the PC course if your vehicle stops, takes a big hit, or experiences an inclination.

Iritrack allows you to send manually two different types of alerts to the PC course:

Buttons remain the same as the previous version

● **Medical alert for you or another competitor**

Pushing the RED button, Iritrack immediately informs the PC course that you are victim or witness of an accident that requires **medical** assistance. Press the blue button to notify the details.

● **Mechanical alert for you or another competitor**

Pushing the GREEN button, Iritrack immediately informs the PC course that you or another competitor has a **mechanical** problem. Then press the blue button to report your situation.

● **Communicate with the PC Course**

Pushing the BLUE button, you get in contact with the PC course by using the unique feature of the Iritrack system; the voice communication between the driver/passenger of the vehicle and the Control Center via a built in microphone and speaker. Push the blue button only once and wait for the PC course to respond. When you hear the PC course speaking to you, just answer and the microphone will transmit your voice.

Important: in case of accident, if the aerials are disconnected or ripped off, no communication with the PC Course is possible.

SAFETY EQUIPMENTS

You have the possibility to buy the mandatory safety equipment and to rent a sat phone on the MARLINK EVENTS e-shop.
